### **2.1.2 Player's Responsibilities:**

**(d) - It will be players' responsibility to pay 'green fees' as soon as possible after arriving at the course to the appropriate Committee Member, also confirm tee-off times and ensure member's playing partners are present.**

**(j) - It is the player's responsibility to conduct themselves in a manner that shall not bring the AUVGC into disrepute. Failure to do so may result in the player(s) being reprimanded or suspended for a period of time as determined by the Committee.**

## Captain's Report

### HIDDEN VALLEY – 31<sup>st</sup> May 2009

It is that time of the month again, for the captain's -----spiel on the last game.

The weekend weather forecast from the bureau of meteorology and from Rob Gel not really favorable for a game of golf as they predicted – rain and cold winds – maybe that is why so many of our members cancelled their game – thank goodness for five visitors that made up our numbers.

I arose rather early this day and looked to the sky's myself and looked at my bush thermometer with the string so cold and moist - not a good sign, but what the heck, it looked clear enough at 6.45am and being a golf nut it was good enough, then at 7am did the fog roll in, as thick as pea soup and leaving home I could only see 20 meters on the road, thinking to myself this does not look good, I will loose too many balls. Driving on through Wallan did not look good either, but on arriving at Hidden Valley what a spectacular view, the fog was behind me like balls of cotton wool in the distance and you could see as this hidden valley as clear as clear could be, not a breath of wind – beautiful sun shine, what a magnificent sight so picturesque – and maybe that is where the name comes from.

To the game 22 members plus the visitors gathered around in the brisk morning to start the game, as always the match play lead the field and the rest followed on – congratulations to Tony Kastopil and George Makohon on their wins, and commiserations to Matt Kwas and Leon Charuckyj ( better luck next time).

This course true to its name was quite testing on the day, even in perfect playing conditions the undulations caught many people unaware as to did the water carries and if any of you played like I did from left to right, from right to left, to the stage where I could not remember which was left or which was right ( what an imbarishment for me when playing with one of my bosses Neil Dyson and Wally Kolody's comments as he keep asking and stating to Neil you let him drive your vehicle with passengers and he does not know which way is left or right).

In the rough and of course the amount of lost balls – I think at last count it was half a dozen, at least half a dozen, as this reflected on my score and I believe on a lot of the scores on the day.

Congratulations go to John Semaniuk on winning the Cobb & Co winter trophy.

Till next time we meet at Medway, on the 28<sup>th</sup> June at 7.15am.

Club Captain.  
Roman Popowycz

### Winner: Winter Cup

**John Semaniuk**

**Ball Comp: I Radywyl, S Kowalczuk, J Cymbalak, M Masendycz, W Kolody, B Poperechny, R Lyszczarz, J Sadowy, G Horoch**

## AUVGC Matchplay Championship 2009

### Golf @ AUVGC:

#### 2009 AUVGC AGM:

Your Committee is preparing a document 'Code Of Conduct' to be presented at this year's AGM - on how to conduct yourselves on and off the course. As mentioned in last month's Newsletter, some Members are not behaving as they should and this reflects badly on the Club and fellow Members. Not to mention the perception that we portray to the general public.

### General points to help improve the pace of play –

- The lowest handicapper in each group is the group captain, and is responsible for the pace of play and under slow play policy is the first player to be penalized for slow play
- We cannot stick with the old comeback of 4-4hr 15min being an acceptable pace of play in the early time blocks
- Time taken for a round of golf is irrelevant. What is relevant is your group's position in the field. All efforts should be taken to maintain 1 to 1 -1/2 shots behind the group in front
- Focus on ready golf, do not discuss whose honour it is on the tee, whoever is ready hit, hit!
- On the putting green, when you are ready to putt, and if not impeding another player's line, consider putting
- Also consider putting out, if you putt up to 1 – 1 ½ feet from the hole and are not standing on another player's line
- If you are falling behind, players who have putted out should proceed to the next tee to hit off
- Think about where you position your buggy on the green; do not leave your buggy at the front of the green, position it at the nearest point for the next green
- Do not stand around the green or tee marking cards. This can waste 20/30 seconds per hole and over 18 holes can cost each group up to 10 minutes. Mark scores as other tee off, save score discussions as you proceed down the next fairway
- Always be at your ball ready to hit, if you have a slow player in your group, you can always look for positions to proceed safely in front of them, to be ready for your next shot
- There are many ways we can all improve our own pace of play, if each group can improve their time by 10 minutes, the overall effects would be huge
- Remember, don't be selfish, we all share the course

### 2009 AUVGC GOLF FIXTURE

Date	Venue	Meeting Time	Game Format
28/6/09	Medway	7.15am	Matchplay Final & Stableford
