It's amazing how a golfer who never helps around the house will replace his divots, repair his ball marks and rake his sand traps.

Editor's Corner

Hi everyone,

23 players braved the awful Melbourne conditions on 28 November to front up for the 1st round of Match Play and a Stableford event for the rest of the group.

It was challenging, to say the least. Several greens were partially under water which made putting even more skillful than usual.

Having said that, the weather wasn't as bad as was predicted. Some players came along without their clubs, convinced that the game would be postponed again due to the conditions. I think they may have regretted this decision as the day progressed.

I had the pleasure of playing with Jerry Cymbalak and on about the 13th hole, Jerry went for a sixer in the mud and luckily was able to get up, brush himself off and continue to play. Although I bet he was a bit worse for wear the following morning.

All in all, it was an enjoyable day. Our hosts at the Emerald Club looked after us as well as around an open fire, with some of us drying off their socks, enjoying a well deserved drink or two to mention the camaraderie.
