Absenteeism & Levy

As previously reported in the November newsletter, at the Albert Park game 8 players did not turn up and only one player notified us beforehand.

The Committee has decided that we will no longer tolerate absenteeism without forfeiting the levy.

It is irresponsible and rude not to turn-up after committing to a game, this includes all members on the permanent list who do not advise George to the contrary.

The enforcement will be conducted in the following way:

- a member who has committed to a game and does not show, will automatically lose their levy.

This means that in order to qualify for the next game he/she will need to pay the levy as well as the fee for that game.

This will take effect immediately.

Results — Melton — 27 November 2011

37 players attended bright and early on Sunday morning. The course was wet in patches but in good condition for Melton, considering all the rain experienced over the previous few days. Some players had to backtrack on some holes to gain access to the next hole as the paths were completely blocked with knee-deep water. This proved to be quite challenging!

To our good fortune though, the clouds parted and it became an enjoyable sunny afternoon for the back-nine.
