Special thanks to Greg Anolak and Andrij Hluchanic for acting as Chairman and Secretary respectively.

Great job guys!

Also, thanks go to Jerry Cymbalak & Wally Kolody for managing the BBQ after the game and for Roman Galas for assisting.

For those of you who couldn't attend, the current committee was unanimously re-elected by all members as they offered to stand again for another year. Well done guys, and if I do say so myself, gal!

Club Captain's Report – Werribee – 26 September 2010

What a magnificent day for a game of golf or should I say, that is how it started! The weather was perfect, the course was in very good condition, but surprisingly hard under foot for the amount of rain that we have had in Melbourne over the past month.

The notorious rough at Werribee lived up to its best on the day and most players experienced it throughout the game.

George Makohon was overheard to be complaining that he lost 3 balls, which equates to 6 strokes. But George didn't wish to admit that on Hole 16 he scored a 16, yes a 16! There were plenty of high scores on the day though - 12 ,13, 14.

However, the shortest drive on Hole 4 has to be the all-time classic. Pity we didn't have a video camera, as this drive of Jerry Cymbalak's would have won a prize on the funniest home videos - it went a whole three metres.

But, the joke of the day has to go to the player that lost 12 balls, who is going to remain nameless - yes 12 balls! All that I can say is that it was an expensive day for me.

Till we meet again at Albert Park!

PS - Thank you for trusting me for another term as Club Captain.

A Sensitive Man

Imagine this - A room full of pregnant women with their partners. The class was in full swing.

The instructor was teaching the women how to breathe properly and was telling the men how to give the necessary assurance to their partners at this stage of the pregnancy.

She said "Ladies, remember that exercise is good for you. Walking is especially beneficial. It strengthens the pelvic muscles and will make delivery that much easier!" Just take several steps and stay on a soft surface like grass or a path.

She looked at the men in the room, "and gentlemen, remember – you're in this together – it wouldn't hurt for you to go walking with her."

The room suddenly got very quiet as the men absorbed this information.

Then a man at the back of the room slowly raised his hand.

"Yes?" answered the teacher.

"I was just wondering. Is it all right if she carries a golf bag whilst we walk?"
